The SHADE MED forum gathers representatives from nations and organisations with an interest in stability and security in the Mediterranean Sea. The purpose is to meet and share situational awareness and assess the evolution, trends and best practices in the region. A formal invitation and agenda will follow soon.

Due to current health COVID-19 restrictions, the event will be held entirely in VTC.

Further updated information and draft agenda can be found on our website:  
<https://www.operationirini.eu/event/shade-med-2020/>.

I kindly encourage the participants to signal in advance, and no later than 30 October 2020, the intention to attend the event by sending a mail to [shade\\_med\\_secretary@euohq.difesa.it](mailto:shade_med_secretary@euohq.difesa.it), possibly indicating the Working Group that you wish to attend.

I would be very pleased for your participation.
