**Maximun Speed:** 20 knots

## OVERVIEW

The patrol boats of the class "Cassiopeia" and "Constellations" are financed by the Ministry of Merchant Marine and data management to the Navy. These units have the ability to work independently and in cooperation with other naval and air operations regarding: safeguarding the interests of national economic, defense and marine platforms engaged in exploration and exploitation of resources of the seabed operations, surveillance and fisheries protection, supervision and protection of the rules on the preservation of the environment and pollution control, search and rescue for the Safety of Life at sea, assistance to first responders in case of fire, explosion or breakdown on board or on sea platforms, prevention and suppression of illegal activities at sea, patrolling antimigrazione illegal. For units equipped with pollution response equipment valid for the attack of polluted areas.

Relief they embark half "seppietta" for the rescue, firefighting equipment consisting of nursing facilities. The ability of helicopters (hangar and flight deck) allows the use of the half plane with considerable extension of the radius of action. These vessels arise as complementary and substitute the role played by the Corvette.

Its optical signature is P 401.
